Commissioner of Agriculture, Markets & Food

# INSTRUCTIONS FOR COMPLETING THE AGRICULTURAL LIMING MATERIALS REGISTRATION APPLICATION

Please read the following instructions carefully before completing your "Application for Registration of Agricultural Liming Materials." The information you enter on the application **must be typed or printed**. The application form may be photocopied.

1. The "Registered for" should be the company name and address which is the same as that appearing on the label or on the bag.
2. Enter the "Brand or Trade Name & Type of Liming Material" as it is printed on the label or bag and the indicated "Guaranteed Dry Weight Analysis" and Fineness Classification information in the space provided.
3. The "Signature" must be that of a responsible officer of the firm and his/her "Title" must be indicated.
4. Application is to be submitted in duplicate. One copy will be returned with the "*Certificate of Registration*" section validated to serve as your record of registration.
5. Enclose a label or facsimile for each product that you wish to register.
6. **Make checks payable to "Treasurer, State of New Hampshire."**
7. Please direct all inquiries relative to labeling, registration, etc. to:  
**Division of Regulatory Services**  
**NH Department of Agriculture, Markets & Food**  
**PO Box 2042**  
**Concord, NH 03302-2042**
8. RSA 431:28 Report of Tonnage.  
Within 30 days following the expiration of registration, each registrant shall submit, on a form approved by the commissioner, an annual statement setting forth the number of net tons of each agricultural liming material sold by such registrant for use in the state during the previous 12 month period.
