**CRITERIA FOR PROHIBITED INVASIVE PLANTS IN
NEW HAMPSHIRE**

November 5, 2001
Last Revised on March 14, 2006

Scientific Name: _____ **Common Name:** _____

Synonyms: _____

Family: _____ **Native to:** _____

Date Introduced: _____ **USDA Hardiness Zone:** _____

Habitat: _____

Cultivars/Varieties: _____

To be listed as a prohibited invasive plant, the taxon must meet the following criteria:

	YES	NO
1. Is the taxon non native to New England*?	<input type="checkbox"/>	<input type="checkbox"/>
2. Is the taxon naturalized in New England*?	<input type="checkbox"/>	<input type="checkbox"/>
3. Does the taxon have the biologic potential for widespread dispersion and rapid establishment in Northeastern US** & Eastern Canada***?	<input type="checkbox"/>	<input type="checkbox"/>
4. Does the taxon have the biologic potential for dispersing over spatial gaps away from site of introduction in Northeastern US** & Eastern Canada***?	<input type="checkbox"/>	<input type="checkbox"/>
5. Does the taxon have the potential to negatively affect native species, natural communities, commercial agriculture, forest crop production, or human health in New Hampshire?	<input type="checkbox"/>	<input type="checkbox"/>

* **New England** Includes the following states: Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island, and Vermont.

** **Northeastern region of the United States** includes the following nine states: Connecticut, Maine, Massachusetts, New Jersey, New Hampshire, New York, Pennsylvania, Rhode Island, and Vermont.

*** **Eastern region of Canada** includes the following three Maritime Provinces: New Brunswick, Nova Scotia and Prince Edward Island, and the southern regions of Quebec and Ontario (from Latitude 48° N to Longitude 50° W).

If the answer is **YES** to all of the questions above, then the taxon meets the criteria as an invasive plant species in New Hampshire, is considered to be an immediate danger, and will be submitted to the Commissioner of Agriculture for consideration for inclusion in the NH Prohibited Invasive Species list.
