

The Division of Plant Industry has a record of each of your locations in its database. You do NOT need to fill out an application for each location—however, each location does need a license. PLEASE...

- 1) Check the attached list of locations, make any necessary corrections to the list, and return it with the license application and license fee.
- 2) Fill out general information on the attached license application form, especially the corporate information and the list of out of state suppliers of nursery stock (located on the back of the form).
- 3) Include a check, made payable to: "Treasurer, State of NH" in the amount of \$25 per location.
- 4) Review the attached information regarding the list of NH's prohibited invasive plants, new regulations, and other Divisional activities.
