

NH PRESCRIPTION DRUG MONITORING RxSENTRY TRAINING

The Prescription Drug Monitoring Program (PDMP) in collaboration with Health Information Designs (HID) would like to announce they are conducting a series of trainings on RxSentry, the electronic prescription drug monitoring database used by the NH PDMP. This training will provide you with information for accessing patient information, accessing your prescriber history, and linking delegate accounts among other helpful tips.

The following is the schedule of training sessions:

August 3, 2016 – 4:00pm - 6:00pm – Veterinarian
6:30pm – 8:30pm - *Medical

August 4, 2016 – 5:30pm – 7:30pm – *Medical

August 5, 2016 – 9:30am -11:30am – Pharmacist

***Physicians, PAs, APRNs, Dentists, Optometrists, Podiatrists, Delegates**

The trainings will be held at the Dartmouth Hitchcock Medical Center, 2300 Southwood Drive, Nashua, NH. These trainings will also be accessible via VTEL for Dartmouth Hitchcock providers. Each training category will be recorded and posted on regulatory board sites for future training.

If you would like to participate in one of these trainings please contact Joanie Foss at 603-271-6978 or e-mail her at joanie.foss@nh.gov by July 27th. We must have you on the list to get credit even via VTEL.

Sponsorship is provided by:

Office of Professional Licensure and Certification Prescription Drug Monitoring Program
Dartmouth Hitchcock Medical Center-Nashua (facility and video conferencing & recording)
