## Notice

### Registration of Economic Poisons

On July 1, 1997 the New Hampshire Legislature adopted a new pesticide product registration system. Any pesticide submitted for registration must be categorized according to the following designations: **General Use, Restricted Use, or Specialty/Household**. Use the following definitions as a guide to categorize products you are registering:

<u>Type of Pesticide</u>	<u>Designation</u>	<u>Definition</u>
<b>Restricted Use</b>	<b><u>R</u></b>	includes both State and Federal pesticides classified as Restricted use by list, or label as per definitions of New Hampshire Law RSA 430:29 XXXI, regardless of labeled uses
<b>General Use</b>	<b><u>G</u></b>	includes non-restricted agricultural and commercial pesticides and all others not defined as Specialty/Household pesticides.
<b>Specialty/Household</b>	<b><u>S</u></b>	means any disinfectant, sanitizer, germicide, biocide, and any pesticide labeled for use directly on humans or pets (including dogs, cats, horses, and other companion animals). This category also includes any other pesticides labeled for use in areas in or around household premises; specifically, these include: <ol style="list-style-type: none"> <li>a. pesticide products labeled exclusively for use in and around the home provided the product is not labeled as a wood preservative.</li> <li>b. products with labeling that bear no references to commercial uses such as commercial pest control and lawn care, industrial weed control and use by private and commercial applicators.</li> <li>c. products that are labeled exclusively for treatment of pets (including dogs, cats, horses and other companion animals).</li> <li>d. insect repellents and other pesticides that are applied to the human body or to clothing.</li> <li>e. products labeled for pools or spas.</li> </ol>

**New Product Registrations** - Please assign the type of product you are registering as one of the following:

Restricted Use = **R**  
 General Use = **G**  
 Specialty/Household = **S**

The Registration fee is \$160.00 per product, regardless of the category. Submit check or money order made payable to **Treasurer, State of New Hampshire** and remit to the address above.
