2020-21 NH Winter Farmers' Market Directory

Some markets and activities have been curtailed due to COVID-19 impacts. Masks are required at most market locations, as well as social distancing protocols, as organizers work to keep shoppers and vendors safe. See any special details per market in descriptions below or go to the market's website before visiting. If you know of a market that is not on this list, please contact the NH Dept. of Agriculture, Markets & Food at nhagriculture@agr.nh.gov

The NH icon denotes markets that participate in the **Granite State Market Match** program of the Nutrition Incentives Network. Customers using SNAP benefits will have their expenses matched dollar for dollar at these markets. A \$10 match cap/market may exist at some locations (spend up to \$10 using SNAP and get up to \$10 match for a total of \$20).
