## **NH Farm to Restaurant Connection:**

The New Hampshire Farm to Restaurant Connection (NHFRFC) links New Hampshire farms and food businesses with New Hampshire restaurants. NHFRFC sponsors several special dinner events at New Hampshire restaurants where the majority of the dinner courses are made of New Hampshire produced foods. Grower's Dinners highlight local farm and food producers and their products. Talented chefs create dishes that feature the products of selected farmers. Menus (and recipes) are created to not only promote and commemorate the event, but to use as on-going public relations for both the farms and participating restaurants. Both consumers and businesses are encouraged to purchase and enjoy New Hampshire's own whenever possible. For a complete list of official 2009 dinner events and other NHFRFC information, visit: [www.nhfarmtorestaurant.com](http://www.nhfarmtorestaurant.com). Buy local foods online at the NH Virtual Farmers' Market: [www.nhfarms.com](http://www.nhfarms.com).
